Informed Consent to Treatment

I hereby request and consent to the performance of chiropractic adjustments (also known as spinal manipulations) and other chiropractic procedures, including various modes of physical therapeutic modalities and diagnostic x-rays on me (or on the patient named below, for whom I am legally responsible) by Michael M. Credico, DC, Philip T. Casale, DC, and/or other licensed doctors of chiropractic, physical therapy, acupuncture or massage therapy who now or in the future work at Bloomfield Total Health Center.

I have had an opportunity to discuss with the doctor of chiropractic named above and/or with other office or clinical personnel the nature and purpose of chiropractic adjustments and other procedures. I understand that results are not guaranteed. I understand that the type of treatment used in this office is a low force treatment that helps reduce the possibility of the below risks, but the information is provided so that I may make an informed decision.

I understand and am informed that, as in the practice of medicine, in the practice of chiropractic there are some possible risks to treatment, including but not limited to fractures, disc injuries, strokes dislocations, and sprains. I do not expect the doctor to be able to anticipate and explain all risks and complications, and wish to rely upon the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based upon the facts then known to him or her, is in my best interest.

I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions about its content, and by signing below I agree to the above-named procedures. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment

BLOOMFIELD TOTAL HEALTH CENTER OFFICE POLICY

Office visits are scheduled according to the severity of your condition and the plan of care that our professional staff feels is best for you. Because your condition may require numerous appointments over the next few weeks or months, we have designed a Multiple Appointment Program for your convenience. This program minimizes your time in the office and facilitates your appointments into your daily routine.

The frequency of your treatment schedule is of paramount importance to your results so we ask that each patient assume the responsibility of strict adherence to the appointment program as it is designed for optimum results. If for any reason you are unable to keep an appointment we require that you telephone immediately to reschedule that visit. It is your obligation to make up a missed appointment within 7 days of cancellation. Also, this office reserves the right to charge for missed appointments and those appointments canceled without 24 hours notice.

FINANCIAL POLICY

Bloomfield Total Health Center has developed a Financial Agreement in an effort to help you, our patient, understand our fees and your financial obligations. We want you to know what to expect at the onset of care so that we may move comfortably forward and focus on what is most important – YOUR health. A member of our staff will explain your benefits and coverage as well as your financial obligation for continuing care. We will be happy to answer any questions you may have in an effort to ensure that you fully understand your policy. *Please note that Bloomfield Total Health Center does not assume ANY responsibility for the accuracy of information furnished by your insurance carrier or you.* This information is only used as a guide to estimate your out-of-pocket expense and may be subject to change pending notification from your insurance carrier.

- **Assign benefits to Bloomfield Total Health Center.** The privilege of insurance assignment begins when it is determined that your insurance covers Chiropractic and/or Physical Therapy. We will submit all necessary claim forms and documentation to your insurance company as a courtesy to you, with the understanding that you will forward to us, all Explanation Of Benefits (EOB) and payments made to you by your insurance carrier for the care received at our office. This reduces your out-of-pocket expense, enabling your entire family to receive care. If payment due to us is sent to you by your insurance company and you do not forward it to us immediately, the insurance assignment will be discontinued and the total amount billed to insurance will become due and payable.
- **Establish a payment plan with our office.** Together, we can calculate a fair weekly out-of-pocket payment amount that is within your budget. (*Out-of-pocket* is the portion of our services that is not paid by your insurance, such as Deductible and Co-insurance.) Again, if you have insurance, all necessary documentation will either be submitted to your insurance company or provided to you.
- **Pay by cash, check or credit card at the time of service.** An account balance may not exceed \$150. A handling fee of \$25.00 will be charged on any returned check.

MEDICARE PATIENTS

Bloomfield Total Health Center has selected to be a participating provider with Medicare. As such, our office charges the Medicare fee set by law and submits claims to Medicare for you. Medicare should reimburse us directly, however, in the event that Medicare sends our payment to you, kindly forward the check and the Explanation Of Benefits (EOB) to our office immediately. The EOB is the statement that Medicare sends to you to explain what portion of your claim was paid or denied. Please note that examinations, x-rays and structural supports are not covered. If not covered by a secondary insurance, your Copay and if applicable, Deductible payments are due at the time that services are rendered.
